

RELECTRIC Adds Over 100,000 Current Data Sheets Online

Manufacturer Catalog Pages from Cutler-Hammer, GE, Siemens & Square D for new & obsolete products

1. Find a product on www.relectric.com.
2. Click on the “Data Sheets” tab.
3. Choose a Data Sheet to view.

RELECTRIC.com has added another set of industry leading customer tools to its online store at www.relectric.com. Customers can now access CURRENT datasheets from any major manufacturer directly from a RELECTRIC product page. These datasheets include images, dimensions, technical specs and manufacturer accessories, all directly accessible from the RELECTRIC website.
